

ABOUT THE CONFERENCE

The International Conference on Recent Advances in Engineering Research & Management (ICRAERM 2027) is an international academic and professional forum bringing together researchers, academicians, industry professionals, and research scholars to deliberate emerging technologies, sustainable practices, and management paradigms. Hosted by Gandhi Institute for Technology (GIFT Autonomous), Bhubaneswar, Odisha, the conference welcomes high-quality original research papers and case studies across multiple disciplines.

THEMATIC TRACKS

Track 1: Advanced Computing, AI & Data Engineering	Machine Learning, Deep Learning, Cloud Computing, Cyber Security, NLP, Computer Vision
Track 2: Sustainable Smart Infrastructure & Green Energy	Renewable Energy Systems, Electric Vehicles, Smart Grids, Green Buildings, Sustainable Concrete
Track 3: Robotics, Automation & Intelligent Manufacturing	Industry 5.0, Additive Manufacturing, Autonomous Systems, Mechatronics, IoT in Manufacturing
Track 4: Electronics, Communication & VLSI Systems	5G/6G Networks, Embedded Systems, Signal Processing, Microelectronics, Sensor Networks
Track 5: Technology Management, Innovation & Entrepreneurship	Circular Economy, Tech Supply Chains, Operations Research, FinTech, Digital Transformation

IMPORTANT DATES

Milestone	Important Date
Submission Opens	15 October 2026
Submission Closes	06 December 2026
Acceptance Notification	28 December 2026
Registration Starts	29 December 2026
Early-Bird Registration Closes	15 January 2027
Registration with Late Fee	30 January 2027
Conference Dates	18–20 March 2027

REGISTRATION FEES & CATEGORIES

Category	Early-Bird (INR / USD)	Standard / Late
Indian Students / Scholars	■3,500	■4,500
Indian Faculty / Academicians	■5,000	■6,000
Industry Delegates	■7,500	■8,500
International Delegates	\$150 USD	\$180 USD
Virtual / Online Attendees	■2,500 / \$80 USD	■3,000 / \$100 USD

VENUE & CONTACT INFORMATION

Venue: Gandhi Institute for Technology (GIFT Autonomous), Bhubaneswar, Odisha 752054, India
